

The renewal process for 2021 has been completed.

January 29<sup>th</sup> will be the first meeting that the club will be accepting new members. The meeting will begin at the normal 7:30pm start time however; the club will begin accepting new member applications at 5pm. It is suggested that anyone desiring membership arrive as early as possible since membership will be limited. Last year, the membership cap was met at the January meeting. New members will not be accepted once the membership cap has been met.

Due to COVID concerns and restrictions, the new membership application process will be altered slightly this year. Anyone desiring membership is still required to apply in person. New applicants will be required to complete an application, have a short orientation and sign a supplemental membership form. **Please bring your own pen to complete the paperwork.**

In order to keep the "crowd" at a minimum level, the application process will be completed in small groups of new applicants at a time. Each new applicant is not required to stay for the meeting and will be free to leave after they have completed the application process. Applicants will be voted on during the regular meeting and upon approval will be mailed their 2021 membership card. If new applicants wish to purchase a guest pass, the guest passes will be available after the meeting or at future club events.

New membership is \$45 and is payable to the club by check or money order. **NO CASH.** If anyone desires to purchase a guest pass after the meeting, the guest passes are also \$45 payable to the club with a separate check or money order. **NO CASH.**
