

Guest Pass Policy

On September 25, 2020, at the Club's monthly meeting, a new guest policy was approved by a majority vote changing the current guest policy. This change will pertain to the Trap, Firearms & Archery ranges as well as the pond. As in the past, no guests will be permitted in the month of November.

A guest pass will be required if a member in good standing desires to bring a guest to the ranges. This pass will be valid for the entirety of the current membership year. Exception, the month of November, no guests permitted. A guest pass is required for any guest 16 years old or older.

The cost to the member will be \$45. This pass will allow the member to bring one guest with them each time they visit the club. Every guest must be of good character and lawfully allowed to possess and handle firearms. If using the pond, each guest must possess the proper fishing license as required by Pennsylvania law. The conduct of the guest is the responsibility of the member.

Members shall have priority on the benches and handgun positions. As an example, if the benches are full, a member would share their bench with their guest to make room for another member.

The member shall keep the guest pass in their possession. The member must display their membership card and guest pass card while using the ranges or pond. The member must be with their guest at all times while on the club grounds. The member is responsible for the actions of their guest while at the club.

Failure to follow all range and guest rules will result in the loss of the guest pass and/or range privileges or membership as provided in the club's constitution; Article VI Section 1 and 2.

Starting in January of 2022, a member may purchase a guest pass at club events such as trap shoots, Old Timer's coffee, and monthly meetings.

Payments are by check only and payable to: Milton Grove Sportsmen's Club.

This guest policy is for 2022 and will be re-evaluated at the end of the year.
